FREY.CV

FREY.

CREATIVE CV · SOCIAL MEDIA · DJ

A multidisciplinary creative raised on pop culture and the internet. I work across social media management, social-first content, graphic design, communication and DJ sets, with a professional background in operations, support and stakeholder coordination.

Organized, creative and curious by nature, with a personal twist shaped by music, photography, architecture, walking, reading and cooking.

PROFESSIONAL BACKGROUND

TomTom International
2018-2026

Senior Administrator - Supply Chain

Point of contact for internal departments and B2B partners around the webshop. Coordinated communication around marketing-related tasks, monitored and managed projects, and worked weekly with the creative marketing team on social content and graphics.

(Technical) Support

Technical support for B2C customers via phone, email, chat and social media, plus internal alignment between the marketing department and customer service.

Netflix International
2017-2018

Customer Service Representative

Technical customer support for Netflix users, mainly by phone and social media. Worked in Dutch and English for customers across Europe and North America.

Starbucks Nederland
2015-2017

Store Coffee Master / Barista

Barista training, customer-facing service, quality monitoring, product knowledge and colleague training.
